## What to Bring

### Food

- 2 **peanut and nut-free** snacks (minimum) and a reusable bottle of water labeled with your child's name
- A **peanut and nut-free** lunch.
- If your child's food looks like a nut product (example Sun Butter), please label the food so our Camp Counselors are aware of its contents.

### Pizza Friday!

- Each Friday we will offer pizza during lunch time. If your child does not want pizza, please provide a lunch for them.

## What to Bring

### Clothing

Everything labeled with your child's name

***There will be a lost and found table located at pick up. Please check this table when leaving daily.***

- A spare change of clothing
- Bathing suit, towel, and shoes to wear to pool area
- Swim Floatation device if they cannot swim independently
- Sneakers and socks worn or packed for gym time (non-sneakers will not be allowed on wood floors)
- Mask worn into the program and additional masks in a labeled bag. All masks must be labeled with camper's name.
- Send your child wearing clothing, shoes, and bathing suits that are easy for them to manipulate individually.

**Please leave electronics, video games, or similar items at home. If a child has a phone it will be kept in their bag during camp hours. Worcester Fitness phones are available at all times if a child needs to contact their parents.**

## Extended Camp Care

Extended camp care hours are 7:30 - 9:00am and 4:00 - 5:00pm. *Prior registration is required.* We will contact you to confirm which days you will be utilizing extended care so we can properly staff. You can select your days at registration. You are welcome to pack breakfast for your child if attending morning program. Additional snack is recommended for afternoon program. No formal schedule will be followed during extended camp time. Children will be invited to pick from a variety of activities in our Kids Room.

## **Swimming**

Every child will go through a swim test by either a certified lifeguard or WSI instructor prior to swimming without a flotation device. They will go through this test every season. We encourage families to send a puddle jumper or similar swimming flotation device to be used during open swim if your child does not swim independently. They otherwise will wear a Worcester Fitness Swim Academy swim bubble. This swim test is non-negotiable for the safety of all of our swimmers. This swim test can be reevaluated at any time as a child's swim ability progresses during the summer. Please contact the Camp Director if you have any questions in regards to the results of your child's swim test.

## **Swim Lessons**

Campers will be grouped according to skill level and age for their swim lessons. Any child who cannot swim on their own or does not pass a swim test will wear a swim bubble during the entire swim lesson unless in the water with a certified swim instructor or assistant. All children will attend swim lessons.

## **Medication**

If your child requires medication, written documentation of dosage and medication instructions, including parent's signature, must be submitted. Please request a Parent Consent and Medication Form to be completed and placed on file. This includes inhalers and Epi-pens. All medications must be given to the Camp Director in the original container with your child's name on it. Parents are responsible for drop off and pick up of medications either daily, weekly, or at the completion of camp. A lead staff member can obtain it for you from our locked medication box.

## **Health & Safety**

Any child who complains of or appears to not feel well will be removed from the area and evaluated. Under the supervision of a staff member, if the child shows signs, symptoms and/or complaints of being ill, the parent or emergency contact will be notified and the child will be sent home. If the child shows any signs or symptoms of being seriously ill or seriously injured, emergency help will be summoned by calling 911. Children should be fever-free for 24 hours prior to returning to camp.

## **COVID Policies**

The Worcester Fitness Summer Camp is a community of children, families, and staff all trying to provide the safest, most enriching, and joyful experience for your children every day. All camp families will review our COVID document, and sign prior to their first day with us at camp. Campers and staff are not allowed to attend camp if they are experiencing any COVID-19 symptoms, have tested positive, awaiting a COVID-19 test result, or identified as a close contact.

## **Registration Deadlines**

Registration deadline occurs the Wednesday prior to the upcoming week at 3pm. Rosters will be locked at that time and no further enrollment will be offered to accommodate timely enrollment and adequate staffing.

**Cancellation**

Camp payments guarantee your registration and are non-refundable after May 1, 2021.

**Rescheduling**

As stated above camp payments guarantee your registration and are non-refundable after May 1, 2020. Camp days can be re-scheduled as long as there is availability. These changes have to be made by the Wednesday prior to your scheduled week by 3pm. There are no make ups for missed days or sick days.

**Waitlist**

We offer a waitlist and you will be contacted via phone or email if a spot opens up for your child.

**Absent**

If your camper is going to miss a scheduled day of camp, please contact the camp director Kat Butterfield at [kat@worcesterfitness.com](mailto:kat@worcesterfitness.com) or (508) 852-8209 ext. 112 by camp start time.
